Agenda

- 18:00 – Grab a beer and take a seat
- 18:10 – Group updates/news/announcements
- 18:15 - "Advanced Prometheus" by Dmitry Kudelko [EN]
- 19:00 - "DevOps Success Stories" by Mateusz Koszutowski [PL]
- 19:45 - Break and pizza time

We need your DevOps presentations

To share and spread the knowledge :)

Today's presentation

Dmitry Kudelko - "Advanced Prometheus"

- words about problems and monitoring
- why business have to have monitoring
- what is the admins and devs point of view about monitoring
- true stories

Mateusz Koszutowski - “DevOps Success Stories”

- stories about people and problems
- stories about solutions for the complex processes
- stories about tools which may be used to solve them
- stories about the challenges
- ...everything from the developer's point of view

Enjoy...
