Upcoming event

GeekWeekWro DevOps

9th of April 2018

News / info:

github.com/devopswroclaw

Agenda

- 18:00 – Grab a beer and take a seat
- 18:05 – Group updates/news/announcements
- 18:15 - "Vault" by Michał Łowicki & Piotr Śliwka [EN]
- 19:15 - break and pizza time

We need your DevOps presentations

because

it is all for you!

To share and spread the knowledge :)

Today's presentation

Michał Łowicki & Piotr Śliwka - "Vault"

- what is a Hashicorp Vault?
- how to you store a sensitive data in it?
- how to integrate it with CM like puppet, ansible etc.
- how to use with Mesos / Marathon and containers
- of course... live demo!

Enjoy…
